(스키 캠프 동의서)

For Student Participating in Snowboarding / Skiing

**\*NOTE: THIS FORM MUST BE SIGNED BY OVERSEAS PARENTS**

이 동의서는 반드시 한국에 있는 부모님이 싸인해 주셔야 합니다.

In consideration of The Board of School Trustees of School District No. 37 (Delta) (the “School District”) offering my child, (학생이름) \_\_\_\_\_, an opportunity to participate in a Snowboard / Ski trip for Grade 8 – 12 students on Sunday, January 19, 2020, I/We waive any and all claims I/We may have against, and release from all liability and agree not to sue, the School District or its trustees, officers, employees, agents, volunteers or representatives or the Ministry of Education for any personal injury, death, property damage or loss sustained as a result of or occurring during my/our child’s participation in the field trip, providing the School District has not engaged in gross negligence or willful misconduct.

**Commentary:** It is the School District’s intent that this Waiver and Consent Form provide parents with sufficient information about the field trip to facilitate parents making an informed decision about the participation of their child in this activity. This Consent and Waiver Form is not asking parents to give up the right to sue if there has been gross negligence on the District’s part. Nor can a parent give up the right of the child to sue.

**I hereby give my consent, and acknowledge by my signature that:**

Students will be going to Whistler/Blackcomb, and will be away from the school from 5:45 a.m. to 6:30 p.m. approximately. They will be traveling by chartered bus.

Initial(이니셜) \_\_\_\_\_

On this field trip, up to 100 students will be snowboarding or skiing.

Initial (이니셜) \_\_\_\_\_

The students will be supervised by 1 adult for every 16 students. At the start of the day every student will have their ability level assessed by qualified Whistler/Blackcomb instructors. They will then be assigned to an instructor who will remain with them for the day. All students whether beginner, intermediate, or advanced, will have a lesson in the morning and free skiing in the afternoon (with their instructor.) At least one supervisor will be stationary at the bottom of the hill and others will be skiing the runs to observe students. The level of direct adult supervision will vary and may be quite low on the larger hills as it may be likely that a supervisor would not see a particular student throughout the day. While on the hill supervisors will have the authority to discipline students and to immediately revoke skiing/boarding privileges of students who do not follow the guidelines outlined to them.

7. Collision with other skiers/snowboarders
8. Delayed rescue, accessibility to emergency services
9. The possibility that your child may not heed safety instructions or restrictions given to the group (or posted by the ski hill).

I will supply (either from home or by providing funds to rent equipment on the hill) suitable equipment and clothing for my child's participation in all activities associated with the field trip, including:

1. Skis and poles or snowboard (it is expected that parents will have equipment (borrowed or owned) tested at the start of each season to ensure the tension is correct for the ability level and weight of the child)
2. Appropriate footwear
3. Hat and gloves/mitts
4. Warm clothing (layered works best)
5. Ski helmet
6. Wrist guards for snowboarders
7. **Whistler/Blackcomb reminds students to bring their own helmets. However, there are enough CSA approved helmets to outfit every student at Whistler / Blackcomb free of charge.**

I understand that the District requires that my child wear a ski helmet.

I also understand that all children who are snowboarding must wear wrist guards.
